

Oskorp One 4 All Tape

Product Description

Oskorp One4All Adhesive Tape White is a professional-grade, single-sided sealing and bonding tape designed for durable interior and exterior use. The tape features a reinforced LDPE film carrier with integrated scrim for flexibility and strength, paired with a high-performance acrylic dispersion adhesive that bonds aggressively to both polar and non-polar surfaces.

Application Area

One4All Adhesive Tape White is a sealing and bonding tape used for inside & outside applications. The unique adhesive properties make it suitable for bonding and covering of overlaps for various surfaces, like plywood, chipboard and flexible vapor barrier material.

Technical Data

Property	Value	Standard
Carrier	LDPE with scrim reinforcement	–
Adhesive	Acrylic dispersion	–
Total Thickness	10.2 – 11.0 mil	EN 1942
Peel Adhesion	≥ 25 N / 25 mm (5.7 lb/in)	EN 1939 (ASTM D3330)
Elongation	≥ 300%	EN 14410 / ASTM D882
Elongation at Break	~700%	ASTM D412
Tensile Strength / Peel Strength	≥ 25 N / 25 mm (5.7 lb/in)	EN 14410
Water Vapor Resistance	Meets DIN 4108-11	Meets ASTM E96
Aging Resistance	Up to 50 years	Artificial ageing
UV Resistance	2 years	Internal test
